Guest of Honour
Mr James Holbeck James Holbeck was educated at The Armidale School and Sydney Boys' High School, and from there represented Australia at both schools and aged levels in Rugby Union. At TAS he played outside future Wallaby half-back Sam Payne, where they narrowly lost to a star-studded St Joseph's 1st XV on a cold Armidale day in 1989.

In 1996 he made his provincial debut for the ACT Brumbies against the Auckland Blues and a year later played his first Test, against New Zealand in Christchurch. Playing against the New Zealand All Blacks at the MCG, Holbeck and Payne were joined by another former TAS old boy, Joe Roff.

In early 1998, Holbeck underwent shoulder surgery to repair an injury he had carried for two seasons. In 2001, almost four years out of the game due to a series of injuries, Holbeck played one final Test where he came off the bench as a replacement and was on the field when the siren sounded to confirm Australia's 2-1 series victory over the British & Irish Lions.

James now works as the National Project Manager at Rugby Union Players' Association (RUPA). Using the insights from his experiences, James runs a program which both supports contracted professional rugby players to be prepared for the challenges of the rugby environment, and to be building a balanced life away from the game.

Track False Start Rule

An athlete must not commence his start until after the gun has been fired. If, in the judgement of the starter, he does so any earlier, it shall be a false start. Any motion by the athlete that does not result in the feet leaving the foot blocks or the hands leaving the ground, it shall not be considered the commencement of the start. To simplify this ruling, if the starter believes that the athlete has tried to go before the gun, the athlete will be disqualified. If the athlete was just moving in the blocks and doesn't look to commence his start, then the starter will stand the athletes up and call it unsteady and start them again. The starters will have the discretion to call it a false start or unsteady. If an athlete moves before the gun but the starter believes that it was due to movement of another athlete, they can stand the athletes up and call it unsteady and restart the race.

Long Jump

Each competitor shall be allowed three jumps and the six competitors with the best performance shall be allowed three additional jumps.

Shot Put

Each school shall be allowed two competitors. At the completion of the third throw, the second placed competitor from each school shall be awarded Division points (1st to 9th). Championship points (7th to 9th) shall also be awarded at that time. The remaining six leading throwers shall be allowed three additional throws.

RETIRED RECORDS Metric/Manual/Electronic

Since 1996 all track events have been timed electronically so manual records have been retired. Since 2000 Shot Put events have been held using metric (kilogram) weights so imperial (pound) weights have been retired. In 2000 Under 13, Under 16 and Open hurdle specifications were altered. From 2005 the Under 14 and Under 15 throwers use the 4kg Shot and from 2006 Under 16 use the 6kg Shot. In 2011 the hurdle specifications in the Under 14, Under 16 and Opens were altered. All respective records have been retired.
